Tell why are you interested in serving on this commission or committee. I've been looking for ways to become more involved since returning to my hometown in 2008. I currently volunteer as a docent at the Placer Co. Museum and would like to expand my civic involvement. I hope that years of being an art student (at the Maine College of Art and several junior colleges) combined with my background in city planning and experience serving on various boards and committees might make me an asset on the Arts Commission.
